Dear Sir,

**Sub: Chennai (Phase II) housing project-Quality Audit of the completed project – reg.**

As you are aware we are doing the inspection of all the flats for the purpose of quality audit. While the schedule of inspection was adhered to we found more than 100 houses were locked and also the keys were not available for carrying out the inspection.

With a view to complete the work, it is required that all the locked houses be unlocked for carrying out inspection as per the following schedule.

**Blocks (A&B) - 13/10/2012 (Saturday)**

**Blocks (C&D) - 15/10/2012 (Monday)**

We would like to indicate our inability to conduct further inspection beyond 15/10/2012. Accordingly, the houses which are found locked at the time of inspection till 15/10/2012 would not be covered for inspection, as we would like to concentrate on the remaining tasks and deliverable associated with the above work.

Thanking you,

Yours faithfully

(RD Padmakumar)
