Sub: Mohali Ph-I housing project

Sir,

Please refer the representation to the Public Grievance Officer, M/o HUPA, vide registration no.PRSEC/E/2013/05291 dated 18.04.2013, regarding delay in handing over of DUs at Mohali Ph-I project.

2. The construction activities of the above project were commenced in 2008. The work has been completed and the completion certificate has also been issued by the Competent Authority. However, provisions of electricity connection is delayed as Punjab State Power Corporation Ltd (PSPCL) is experiencing difficulty in providing power connection to CGEWHO, though they have sanctioned the same, as there is a delay in completion 66 KVA substation to be taken over by them from the mega developer of the area. Necessary follow up is being made with PSPCL as well as the turnkey contractor towards obtaining the power connection at the earliest. CGEWHO is also in process of handing over of the DUs with power given through Diesel Generator till the permanent power supply is obtained from PSPCL.

3. We are in touch with the concerned officials and taking all out efforts to get the connection given at the earliest.

Yours faithfully
