To
The All beneficiaries of Mohali (Phase-I) Housing Scheme.

Subject : Regular electricity meter/connection in CGEWHO's Mohali (Phase-I) Housing Scheme from M/s PSPCL.

Sir/Madam,

This has reference to our letter of even no dated 18/09/2013. The physical possession of flat(s) was offered with temporary arrangement of electricity from DG Sets since M/s Punjab State Power Corpn. Ltd. (PSPCL) could not energize the transformers for regular supply of electricity to the project.

2. Please be informed that M/s PSPCL has already provided electricity connection to common areas/properties/facilities. For supply to the respective flat(s), beneficiaries who have taken over their respective flat(s) in **CGEWHO's Mohali-I Housing Scheme** are requested to apply for individual electricity connection/meter with M/s PSPCL at the earliest possible time to have regular electricity. They are requested to contact **Shri Bant Singh, Project Manager-CGEWHO's Mohali Project** immediately for guidance and compliance of formalities to be done with M/s PSPCL as per their requirement. It may please be noted that certain beneficiaries have already made applications for their individual connection with M/s PSPCL and their energy meters are expected to be installed within this week after giving individual connections.

3. The beneficiaries who have not paid their final amount and/or yet to complete the documentary formalities as mentioned in CGEWHO's final call letter dated 18/09/2013 are requested to take over peaceful possession of their respective flat(s) within 31/03/2014, as electricity has now been provided to the complex.

Yours faithfully,

M K Maity

Dy Dir (Admn.)

For Chief Executive Officer
